LAMEES AL-AMRI

UX/UI Designer

PROFILE

I'm a recent IT graduate with a strong interest in UI/UX design. I'm skilled in C++, Java, and Flutter, and I enjoy creating user-friendly designs and interfaces. My goal is to combine design and development to build apps that people love to use. I'm excited to apply what I've learned in school and through courses to make a real impact in the IT field.

SKILLS

- Programming Languages: C++, Java, PHP, HTML, Flutter, Dart
 - MS Office: Excellent
 - Communication: Excellent
 - Teamwork: Very Good
 - Blender: Good
 - Figma: Good
 - IELTS Score: 6.5
- Wireframing
- Prototyping
-User Interface Design
-User Experience Design
-Prototype Testing
-Interaction Design
-Typography

-Arabic: Fluent

VOLUNTEERING

 Attending as a volunteer for Saudi Scientific Society for Information Technology at the first scientific conference for scientific associations at King Abdulaziz University | October 3rd

PROJECTS

SpeakSphere XR Project (Prototype) | July - August 2023
- Spearheaded the development of the prototype for "SpeakSphere" a virtual reality (VR) application aimed at helping individuals overcome public speaking anxiety.
- The VR experience allowed therapists and patients to collaborate virtually, wherein the patient would describe a past public speaking experience, receive guidance, and then face a simulated situation.
- Implemented AI algorithms to detect voice shakiness, filler words, and pauses, offering real-time feedback to improve speaking skills.
- Resulted in a substantial reduction in public speaking anxiety and improved communication skills for users.

Comprehensive Pet Care App | February - June 2023
- Developed an innovative pet care app addressing industry gaps.
- Offered veterinary advice, pharmacy services, pet supplies, adoption, and pet salon functionalities.
- Enabled users to manage pet profiles, seek medical advice, and connect with service providers.

EDUCATION

Bachelor of Information Technology
 Taif University, Saudi Arabia
 June 2023

COURSES

-UXUI IronHack/ Saudi Digital Academy | **Aug -Nov 2024**
